Written Notification

If you or someone you know has been hurt by a crime or incident, Adelphi University is here to help. You have the right to live, learn, and/or work in a safe and welcoming environment. Violence is unacceptable, and University policy prohibits acts of violence including (but not limited to) sexual assault, domestic violence, dating violence, and stalking. This document outlines steps to take depending on what services you want or need.

Unsure of where to start?

Do you need medical attention?
You can receive medical attention at any medical facility; however, certain facilities have specially-trained staff to help survivors of sexual assault. the following locations have sexual assault nurse examiners.

Cooperating Hospitals with a Sexual Assault Nurse Examiner (SANE):
Nassau University Medical Center* North Shore University Hospital
2201 Hempstead Turnpike, 300 Community Drive,
East Meadow, NY, 11554 Manhasset, NY, 11030

*NUMC is preferred for incidents involving minors.

It is important to preserve evidence that may be useful in obtaining a protection order or in proceeding with a criminal investigation should you choose to do so. Completing a forensic exam does not require you to file a police report or report to the institution, although we encourage these reports if you are comfortable doing so.

Medical exams can also address other physical needs or trauma and assess for sexually transmitted infections or pregnancy. If possible, please do not bathe, douche, smoke, use the toilet or clean the location where the incident occurred. Save items you were wearing, sheets, or towels in a paper bag. Text messages, records of phone calls, emails, pictures, notes, and gifts can all be pertinent for a report of sexual assault, dating violence, domestic violence or stalking.

Your immediate and long-term safety is what’s most important. The resources and options outlined below may be helpful as you decide what next steps are a good fit for you.

Adelphi University will protect your identity in publicly available information, such as within our annual security report or in warnings sent to the campus community. You can access the accommodations listed below regardless of where you choose to report and we will keep these accommodations confidential, as long as it does not limit our ability to provide them to you. If we would need to share information in order to provide an accommodation, we would notify you of what information needs to be shared, why, & with whom prior to sharing the information.

Many survivors find law enforcement to be a great resource. Others choose not to report to law enforcement. We always encourage reporting, but know that only you can determine if doing so is the right decision for you.

Regardless of whether or not you report to the police, there are campus options, including resolution through the University process, available to you.

Orders of Protection
You can also access orders of protection within our state as well as within the institution. Depending on the nature of the incident, Adelphi University may be able to issue a no-contact order to prevent contact between two individuals.

To request a no-contact order, please contact the Title IX Coordinator, Renaire Frierson, Levermore Hall-Rm 207 at 516.877.4819.

A Family Court Order of Protection, Criminal Court Order of Protection, or Supreme Court Order of Protection may also be available. Adelphi University complies with all Court Order of Protections.

To obtain a Family Court Order of Protection you need to file a form called a “Family Offense petition”. The form requires the petitioner to list the reasons for the order which can include: disorderly conduct, harassment, aggravated harassment, criminal mischief, sexual abuse, strangulation, menacing, reckless endangerment, sexual misconduct, stalking, and forcible touching.

A criminal court order of protection can only be issued against a person who has been charged with a crime. The judge decides whether to issue the order of protection for the victim or complaining witness and what terms and conditions will be included in the order.

A Supreme Court order of protection can be issued as part of an ongoing divorce proceeding. During an ongoing divorce case you can submit a written or make an oral request at a court appearance. The judge decides whether to issue the order of protection and what terms and conditions will be included in the order.
Requesting Reasonable Accommodation & Interim Measures

Regardless of whether you choose to report to local police or public safety, there are specific options available to you, if requested and reasonably available. These options include Living Accommodations, Academic Accommodations, Transportation Accommodations, Working Accommodations and additional protective measures, including an institutional “no contact” order. For more information on how to obtain these measures, contact the Office of Student Conduct & Community Standards at 516.877.3612 or the Title IX Coordinator at 516.877.4819.

Campus Disciplinary Process: Rights & Options

You have the right to:

- A prompt, fair, and impartial process from the initial investigation to the final result (completed within the timeframes laid out by our policy in a manner that is transparent, provides timely notice of meetings and equal access to information to both the complainant and the respondent, and conducted by officials without a conflict of interest or bias for either party that receive annual training on how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability)
- Have others present during any institutional disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding by an advisor of your choice*
- Notification, in writing, of:
  - The result of any institutional disciplinary proceeding from your report of dating violence, domestic violence, sexual assault, or stalking
  - The institution’s procedures to appeal the results [only if such procedures are available]
  - Any change to the results
  - When the results become final*

*Also afforded to the respondent

Step 1: Report the Incident

All complaints can be filed with the Department of Public Safety at 516.877.3507 and 516.877.3511. If you do not wish to report to Public Safety, there are others you can report to.

Student Complainants:
- Department of Public Safety at 516.877.3507 and 516.877.3511; Levermore Hall, 1st Floor, Suite 113
- Jeffrey Kessler (Assistant Vice President and Dean of Student Affairs) at kessler@adelphi.edu or 516.877.3151
- Renaire Frierson (Title IX Coordinator & Director Equity & Compliance) at titleix@adelphi.edu or 516.877.4819

- Jane Fisher (Director of Employment, Employee, and Labor Relations) at fisher2@adelphi.edu or 516.877.3222
- Renaire Frierson (Title IX Coordinator & Director Equity & Compliance) at titleix@adelphi.edu or 516.877.4819

General Comments or Inquiries:
- Department of Public Safety at 516.877.3507 and 516.877.3511; Levermore Hall, 1st Floor, Suite 113
- Renaire Frierson (Title IX Coordinator & Director Equity & Compliance) at titleix@adelphi.edu or 516.877.4819

For emergency or immediate assistance at any time on campus, contact the Office of Public Safety at 516.877.3511 or by dialing 5 from any campus phone.

Step 2: Case Created, Assigned, and Interim Measures Implemented (if necessary)

Dependent on who you report the incident to, a case can be created by Title IX or Student Conduct. If you report to Public Safety, Public Safety will refer the incident to the appropriate party if you wish for disciplinary action.

If you report or are referred to Title IX, a case is created by Title IX Staff or Conduct Staff (Dependent on who is the first point of contact). After the case is created, the Title IX coordinator does an initial inquiry to determine need for interim measures and proper assignment of the case. In addition to interim measures, Title IX will advise Public Safety in determining the need for a Timely Warning. Then the case is assigned for Title IX investigation or screened out as not Title IX and reassigned to Conduct or elsewhere.

If you report or are referred to Student Conduct, a case worker or conduct staff creates an incident and it is assigned to a caseworker. The caseworker will determine and identify if there is a complainant. If there is a complainant, the caseworker will meet with the complaining party first. If there is no complaining party, the caseworker determines the need to pursue without a complainant.

Advisor of Choice / Faculty Advocates

An Advisor of Choice or Faculty Advocate may be a member from within or outside the University community and may include, among other people, a family member or an attorney. Advisors and Faculty Advocates cannot actively participate or speak on behalf of the complainant or respondent. If any advisor’s/advocates conduct is not consistent with these guidelines, he or she may be excluded from the process. Advisors and Faculty Advocates are meant as moral support and guidance during the investigation and process/action.

Right to an Attorney

No University employee, student, or third party may be accompanied by an attorney unless: (a) complainant or respondent are referred to the University Hearing Board pursuant to the Code of Conduct, or; (b) Criminal charges arising from the same incident have been filed, or (c) The case involves allegations of sexual misconduct, dating violence, domestic violence and/or stalking. In such cases, the role of the attorney or advisor of choice will be limited to private consultation with the complainant or respondent and the advisor of choice or attorney may not actively participate in the proceedings or meetings in any way.
Step 3: Investigation

An information gathering investigation is conducted, including interviewing witnesses, and review of evidence* to determine which type of disciplinary proceeding is most appropriate for the case and if resolution without a hearing board is possible. The determination is made based on the outlined criteria below and varies based on the circumstances of the allegation.

The University will conduct an investigation and make all efforts to provide a resolution of the investigation ideally within sixty (60) days from the time the University receives notice. However, the resolution of a complaint may vary depending on the complexity of the investigation and/or extent of the alleged harassment or discrimination. The sixty (60) day time period does not include the time period for the appeal process.

*The standard of evidence used throughout the University disciplinary proceedings (student or employee) is the preponderance of the evidence. The preponderance of the evidence means such evidence (testimonials; documents (emails/screenshots/etc.); photos; physical evidence; etc) that, when considered and compared with that opposed to it, is more convincing, creating the belief that what is sought to be shown is more likely than not to have occurred.

Step 4: Disciplinary Proceeding/Action and Appeal Process

Student Disciplinary Proceedings

The following Disciplinary Proceedings apply only to Student Complaints against a Student Respondent Incidents.

Informal Resolutions:
- Investigator/caseworker meets with complainant, respondent, and witnesses
- Referrals are made
- An outcome letter, which includes document agreements, discussion, referrals, etc., is distributed to relevant parties
- Referrals for Disciplinary Action or follow ups are made
- Case Completed

Disciplinary Conference:
- Meetings with complainant, respondent, and witnesses
- Investigator will investigate the incident further and make determination and document the outcome
- Conduct Staff will send out an outcome letter, with implemented sanctions (if applicable) to relevant parties
- The investigator/caseworker will track sanctions, if applicable, or follow-up with referrals made. The incident is resolved and is pending sanctions
- Case completed

Disciplinary Hearing (Hearing Board):
- Notice of Complaint provided by complainant
- Answer to Complaint provided by respondent
- Hearing Scheduled
- Hearing Board makes determination and documents outcome
- Hearing board writes Outcome Letter which is delivered by a Conduct Officer to relevant parties
- There is an opportunity to appeal the outcome. If the appeal is valid, a new hearing is scheduled with the review board
- The Conduct Officer will track sanctions, if applicable, or follow-up with referrals made. The incident is resolved and is pending sanctions
- Case Completed

Employee Disciplinary Action

Employees do not go through a Disciplinary Proceeding. Any employee who, after appropriate investigation, has been found to have violated a policy (“Responsible”), will be subject to disciplinary action through the following methods:

Complaints Against Employee
Recommendations for disciplinary action against employees accused of violations of a policy will be forwarded to a designee in Human Resources, who will initiate disciplinary proceedings in accordance with the University Policies. The Proceedings are in the form of a meeting with Human Resources. After completion of the proceedings, the Human Resources designee will issue an outcome letter to the complainant and respondent with a copy to the Title IX Coordinator for their files.

Complaints against Union Employee
Recommendations for disciplinary action against employees accused of violations of a policy will be forwarded to a designee Human Resources, who will initiate disciplinary proceedings in accordance with the Collective Bargaining Agreement between the University and the American Association of University Professors (AAUP). The Proceedings are in the form of a meeting with Human Resources. After completion of the proceedings, the Human Resources designee will issue an outcome letter to the complainant and respondent with a copy to the Title IX Coordinator for their files.

Complaints against Faculty Employee
Recommendations for disciplinary action against faculty members accused of violations of a policy will be forwarded to the Provost, who will initiate disciplinary proceedings in accordance with Article XIX of the Collective Bargaining Agreement between the University and the American Association of University Professors (AAUP). The Proceeding is in the form of a Meeting with the Provost and Human Resources. After completion of the proceedings, the Provost will issue an outcome letter to the faculty member with a copy to the Complainant, Title IX Coordinator, and a designee of Human Resources for their files.

Note: If an employee is found to not be responsible for violation of a policy, no disciplinary action will be given but the Provost or Human Resources designee will issue an outcome letter to the complainant and respondent with a copy to the Title IX Coordinator for their files.
Appeal Process (If Requested)

Grounds for an Appeal

1. A procedural error has occurred that significantly impacted the outcome (e.g. substantiated bias, material deviation from established procedures, etc.). This error must be described in the letter requesting an appeal. Minor or harmless deviations from the process will not invalidate the proceedings.

2. The discovery of significant and relevant new information that was unavailable during the original process, which has become available and could impact the outcome. A summary of this new evidence, why it was previously unavailable and its potential impact must be included in the request for an appeal.

3. The sanction imposed is clearly not appropriate for the violation.

How to Make an Appeal

Step 1 - File for an appeal within (3) business days after the receipt of the original outcome. Appeals can be made to the Human Resources Designee or Student Conduct Designee. (Note: if no appeal is made, the results are made final the parties will be simultaneously informed.

Step 2 - Once a request for an appeal is received, a decision will be rendered on eligibility for appeal usually within ten (10) business days. If grounds are not met, the request for an appeal will be denied with no further appeal through this Policy and the parties will be simultaneously so informed. If appropriate grounds are present, these will be presented to an appellate body (Appeal Panel) composed of three members of the Anti-Discrimination Panel, or will be returned to the investigator(s) for reconsideration.

Step 3 - An Appeal Panel will make changes to the finding only where there is clear procedural error and changes to the sanction(s) only if there is a compelling justification to do so. An appeal proceeding will include all parties to the complaint and all related documents. The Appeal Panel will be solely responsible for determining who should participate, what information is needed, and how proceedings will be structured.

Step 4 - The appeal panel may find that: (a) The appeal does not have sufficient merit as to the grounds listed above. In this case, the finding stands, as does the sanction; (b) The process in the original hearing/conference/meeting contained improprieties that substantially affected the outcome of the case. In this case, the matter will normally be returned to the original hearing/investigative body or person to reopen the hearing/conference/meeting with instructions for further proceedings. In unusual cases, the appeal board may require a new hearing/conference/meeting; (c) There is relevant new information that was not available at the time of the original hearing/conference/meeting. In this case, the matter will normally be returned to the original hearing/investigative body or person for consideration; (d) The sanction is clearly inappropriate. In this case, it may, at its discretion, refer the matter back to the original hearing/investigative body or person, or modify the sanction.

Step 5 - The final outcome of the appeal will be communicated simultaneously to the parties usually within five (5) business days following deliberations.

For more specific information for Students see the Code of Conduct page 24-25; and for Employees see the Anti-Discrimination-Harrassment-and-Retaliation Policy page 24-25 or https://hr.adelphi.edu/title-ix/university-policy/section-x/

Step 5: Resolution

Both the complainant and the respondent have the right to call witnesses, present evidence, receive simultaneous written notice of the outcome of the proceeding, the right to appeal the decision, receive simultaneous written notice of any change to the result, and receive simultaneous written notice when the results become final.
